

RHODE ISLAND **Envirothon**

Developing Environmentally Aware Leaders of Tomorrow

Rhode Island **Envirothon** is an exciting environmental program, perfect for middle and high school students who love the outdoors, animals, and plants, or who are just curious about the world we live in. Throughout the year, Envirothon students attend hands-on workshops that inspire learning about our natural environment, and instills in them an appreciation of nature and the delicate environmental balances that make life possible. After studying with experts on all aspects of the environment, the program culminates each May in a one-day—

Battle of the Environmental Minds!

Please plan to join us to watch this epic battle on
Tuesday, May 21, 2024 from 8:00 am to 1:00 pm
at Camp Hoffman in South Kingstown, RI

2850 Ministerial Rd, South Kingstown, RI 02879

Be there to see which Rhode Island team will go on to compete in the
2024 National Envirothon Competition in Geneva, New York!

Rhode Island Envirothon Team Champion 2023— Wheeler School!

Envirothon is not just an educational program. The environmental appreciation and team-building skills the students learn are real-world experiences that they will carry throughout their lives as they become the leaders of tomorrow because

Envirothon is teaching them HOW to think, not WHAT to think.
